Roger Josephian earns Leadership in Energy & Environmental Design accreditation

LANCASTER, Pa. — Roger Josephian, Preconstruction Services Manager for Horst Construction, has earned certification as a Leadership in Energy and Environmental Design (LEED) Accredited Professional from the U.S. Green Building Council.

As a LEED AP, Josephian has demonstrated a thorough understanding of green design and construction concepts, materials and practices. Josephian has been with Horst Construction for 9 years and currently manages preconstruction in design projects. A resident of Drumore, PA, Josephian has been in the construction field for over 20 years.

LEED is a voluntary, consensus-based national rating system for developing high-performance, sustainable buildings. Horst Construction is a member of the U.S. Green Building Council and the Green Building Association of Central Pennsylvania.

For more information, contact Terry Kile, Horst Construction, at 717.581.9941 or tkile@horstgroup.com.
